

SafeFood Accredited Training for Community Organisations

Cost-effective and relevant!

It is different with volunteers, let's think about how it works with them!

Level 1 Follow basic food safety practices (Unit HLTFS207A)

Course Outline - What will I learn?

- Food Safety – a real issue for Community Organisations
- Food Safety legislation and its impact on Community Organisations
- Food poisoning and its causes
- Principles of Food Safety
- Applying the principles in Community Organisations:
 - Personal hygiene
 - Handling and storage
 - Cleaning and sanitising
 - Waste/pests/illness
 - Events outside the kitchen
- Recognising and reporting Food Safety issues

How long? 4 hours
How much? \$95.00 (10 or more participants)

Who is it for?

Anyone volunteering to help with food. This training is specifically designed for groups such as churches, sporting groups, charity groups, kindergartens and schools.

What do I get?

Nationally accredited certification for Unit HLTFS207A

Level 2 Apply and monitor food safety requirements (Units HLTFS309A & HLTFS310A)

Course Outline - What will I learn?

- Food Safety Programs– what are they and how do they relate to Community Organisations
- Identifying food safety risks and how to control them
- Establishing control measures at critical points in food processes
- Making sure that everyone knows and follows safe food practices in Community Organisations
- Developing a Food Safety Program using the SafeFood Template
- Making the Food Safety Program work in a Community Organisation in a relevant, intentional and ongoing way:
 - Getting started
 - Reviewing the Food Safety Program
 - Amending the Food Safety Program
 - Useful resources

How long? 4 hours
How much? \$115.00 (3 or more participants)

Who is it for?

Anyone designated as a Food Safety Supervisor (or those coordinating the safety of food) in organisations such as churches, sporting groups, charity groups, kindergartens and schools.

What do I get?

Nationally accredited certification for Units HLTFS309A & HLTFS310A

But what if I need to get both certifications at once?

How long? 8 hours

How much? \$180.00

What if I just need the assessment?

How long? 30 minutes

How much? \$65.00
